

Service to Children at Refugee Camp – South Pacific Division

“Truth Be Known”, a team of 27 people

from all around Australia, lead by Chantai Tompson went to Thailand, to Spread His Truth to the Mae La Klo Refugee Camp on the Burmese border. It is home to 60,000 people. They divided into 2 groups, with one team working on outreach at Eden Valley Academy, and the other team worked at the Thai School, rebuilding the girl’s dormitory.

They shared Jesus with the children, telling them that Jesus died for each one of them, so everybody needs to know how much God loves them.

Youth Involvement in Children’s Ministries – Finland Union Conference

Young people of the Annankatu Church in Helsinki have been actively involved with children of their church. This past summer they planned programs for children, such as excursions and field trip to the local zoo, a Kids’ Day program filled with fun and games, and spiritual activities.

Some of these youth were enthusiastic in teaching the children in the children’s Sabbath School. They find it very rewarding when they see how they can impact the lives of these children spiritually, mentally and socially. Many find their own lives changed when they pray with children and mentor them to grow in Jesus.

One young lady, Anni Pilois, told the Children’s Ministries director that working with children is one of the most rewarding and fulfilling experiences she has had. Praise the Lord for such youth involvement!
